

# Otsar's Mini Day Camp

779 East 49<sup>th</sup> Street \* Phone 718-946-7301 x 213 or 201

Today was our 5<sup>th</sup> day at Mini Day Camp, when we arrived we found out we were going to the Prospect Park Zoo. We were so excited about seeing the animals, that on the bus ride there we sang many songs about animals.

We got to the zoo and started walking around all the large cages seeing many different types of animals, including the lions and monkeys, who were so funny swinging and climbing around the cage. We got to see the observatory with all the beautiful birds, singing so nicely and enjoying all their wondrous colors and sizes. We even got to feed the goats and watched them chew their cud! There was also a carousel which we were able to ride going round and around clapping to the beat of the music.

What a fun day hearing all the sounds and seeing all the animals!
