Chanukah is in the air at OTSAR.

We had a great day starting to create beautiful Chanukah masterpieces. We decorated the hallways to feel the holiday spirit in the air. We made decorative metallic shapes to put together and create a super large menorah in the main hallway.

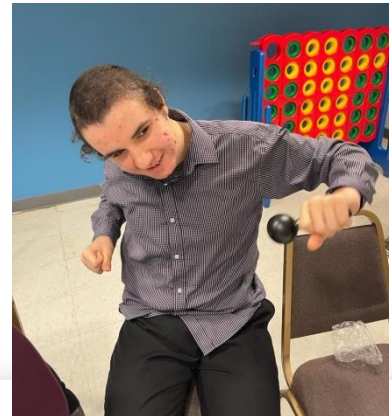

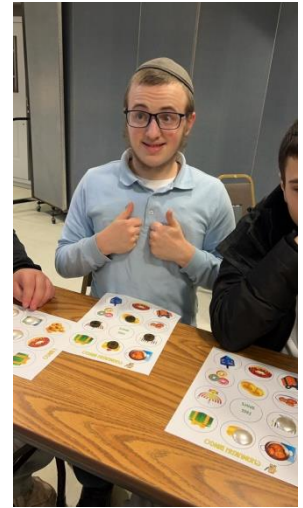

Mike the drum guy came to sing with us and play musical instruments with us. He also surprised Melissa by getting our whole group to sing Happy Birthday to her! After we all stayed downstairs and Sol led us in a game of Chanukah Bingo.

It was so fun to have sensory with Sol today – we played “Name that Sound”, we also tried making our own sounds.

We are looking forward to next week!

Happy Thanksgiving! Melissa 😊
