### THE SWEETEST DAYS OF SUMMER!

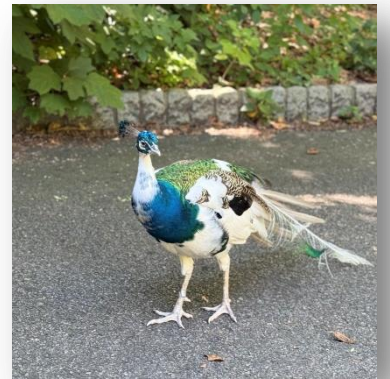

# 2025

We had such a great time at the Staten Island Zoo today.

Once we finished checking out all the animals, we got to have a picnic lunch right there at the zoo.

We got back to Otsar in time for a quick craft, snack, and pack up. We are excited for tomorrow.....we have a great bowling trip in store, yummy baking with our fruit of the day, crafts, and more....can't wait!

Melissa 😊
