

Otsar's Sunday-Holiday Program

December 7, 2025

What an exciting day today at OT\$AR!

We started the day with davening and movement.

How exciting it was to pick out Chanukah presents! We all took the time we needed to pick out a perfect present.

Drumming was great today! We had Chanukah themed music and it was fantastic!

We finished our Dreidel Box by filling it with all the items we need to play a game of Dreidel. Then we wrapped it up to take home.

We water-colored "salt" pictures that we had prepared last week. The salt absorbed the water-colors and created delightful Chanukah artwork.

We played Chanukah Bingo, and other Chanukah activities.

We danced away at a Chanukah party with Sol and ate yummy donuts!

Can't wait to see everyone on December 28 – Have a wonderful Chanukah!

THANK YOU!

Thank you to the Bergen County Toy Drive for donating a dazzling array of gifts for our participants to choose from!

Thank you to Mrs. Ishay for the scrumptious chocolate coins and donuts you generously donated to our participants and staff!
