Pre-Camp – June 26 & 27, 2025

We had a fantastic time at Otsar's pre-camp. We explored our artistic skills by creating watermelon paintings using a combination of sponges and brushes to depict crispy watermelon slices on a sky-blue background. The weather was amazing, and we enjoyed our time at the park! We also made our own smoothies, choosing from a variety of fresh-cut fruits like bananas and strawberries. We added a bit of vanilla ice cream and some orange juice, then used a hand blender (with assistance) to mix everything until we had a delicious drink.

On Friday, we had a great time at the park and then we played Shabbos Bingo. We got to spin and call out the pictures. Prizes came next! After that, we enjoyed a tasty lunch of pizza and fries. What a nice Shabbos party.

We can't wait to come back on Monday! Have a wonderful Shabbos!

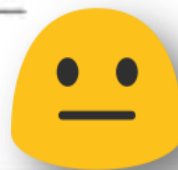

Happy Campers
