Today was a wonderful day at Otsar's Sunday Program.

We welcomed some new friends to our program today!

Our day was filled with excitement as we continued with our Fall theme.

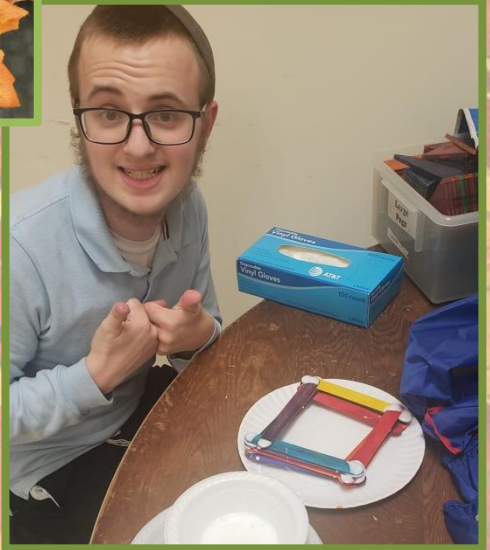

We learnt more about apples with Bonnie and she made apple themed projects with us. We also baked delicious apple muffins. We chopped, poured, mixed, and filled muffin tins and sent them off to the kitchen for baking. We could not wait till snack time (^-^)! We also made our own pizza pitas for lunch. We loved every minute of cooking & baking!

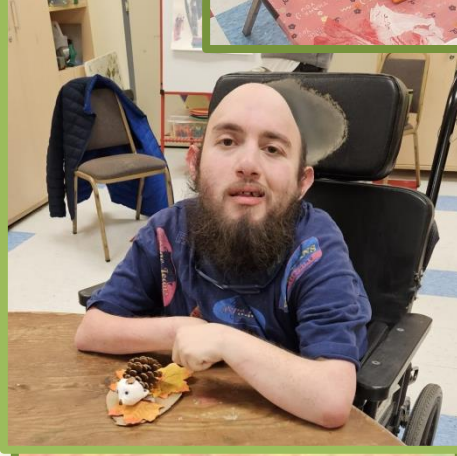

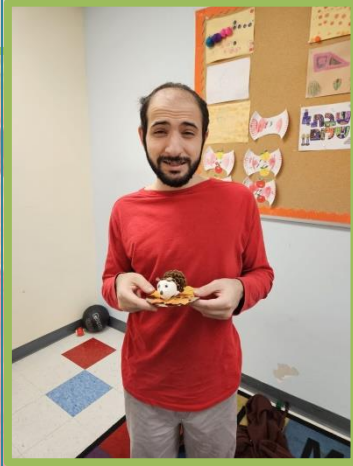

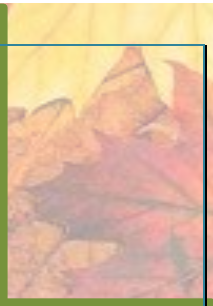

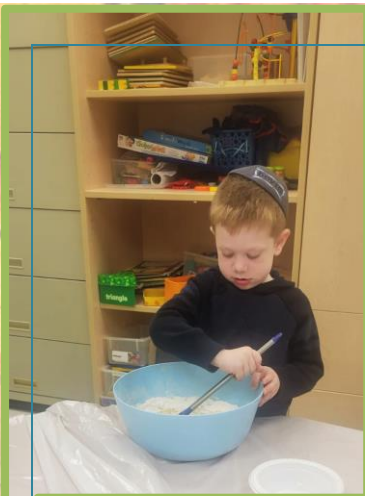

We started creating a masterpiece with Sol and we made our very own hedgehog friends out of pine cones.

As per our calendar there is no program on November 5th.

We can't wait to see everyone on November 12th.
