# OTSAR'S SUNDAY PROGRAM

"Treasure the  
things that  
make you  
different  
and unique"

We had a great day today at OTSAR.  
We introduced our Purim theme :)  
It was so much fun to play PIN the HAT on the CLOWN!  
We then heard a beautiful Purim story with Bonnie.  
Our art project was so creative. We used a shiny CD and a paper clip to create our clown's unicycle. It was a lot of fun placing the clown on the wheel and watching it move along.  
We had a great time with Sol today. We each got a picture of a face without hair. We punched holes and sewed or twisted in colorful yarn and pipe cleaners to create a colorful head of hair.  
The day got even better when we took a walk and had time to play in the park!  
We are looking forward to next week :)
