The month of Kislev..

Day Hab has been a bustle of activity as the beloved Yom Tov of Chanukah

is fast approaching. Festive music can be heard over the loudspeakers.

We also have some surprises coming up. In honor of Rosh Chodesh

Kislev, the participants were served mouthwatering potato kugel.

It tasted just as scrumptious as it looked. For snack, the participants

were treated to milk chocolate coins. **Yaakov** savored the smooth

taste of the chocolate. Our arts n' crafts tied into the Chanukah theme as

well. The group made paper chains which will be used for a bulletin board.

Using bright colored paper in blue, green and purple shades, we made long

chains. **Yvette** was seen with a serious look on her face, hard at work. Each partici-

pant received a different pattern with which to follow. Preparation is fully under-

way to make this Chanukah the most memorable one yet!!

Music Bingo..

The classic game of Bingo is arguably the most popular activity here at Otsar. You can see the smiles on the participants' faces as they are engrossed in the game. This week, we played music bingo. **Roger** had an enchanted look on his face as he sang "Que Sera, Sera". The participants erupted in cheers as "Rockin' Robin" played on the loudspeaker. We were flooded with warm feelings of nostalgia. The saying "oldies but goodies" rang truer than ever!

Spotlight on Bracha..

On Wednesday, the lucky participant featured was none other than **Bracha**. We learnt all about her likes and interests. Bracha's favorite lunch served at Otsar is baked ziti, a favorite among the participants. We learnt that her favorite day of the week is Thursday which is when we have canteen. A memorable trip she shared is when we went to the Matzah Bakery. Bracha's most-liked season is

summer as she looks forward to joining the Camp Yachad getaway. Her chosen holiday is Shavuos as she loves the delicious delicacies served. During her spare time, Bracha enjoys spending time with her family. We then went around the room and offered the participants an opportunity to ask questions. Bracha is a long time member of Otsar and is a valued participant. Who will be up for spotlight next week?! I hope it's me!

Highlawn Library..

On Thursday morning, an exclusive group of participants, including **Yanky** and **Mordy**, trooped to the Highlawn library. We entered the spacious room and awaited the program. We watched a new release: Raya. The participants sat spellbound as they watched this fascinating movie. All too soon, it was time to leave. We are counting down the days to our next visit!
