Our first day back was great!

We got settled into our classes and met some new friendly faces.

We started off the day with davening and movement.

Bonnie came to OTSAR today and we learnt all about Fall.

The weather has definitely turned.

We spent some time making beautiful sukkos decorations to hang up in our sukkah.

We made a decoration of an apple using so many different materials to make it just right!

Thank you Fayge for all of your hard work in designing a beautiful masterpiece.

Sensory with Sol was a blast! We had a real "foam" party which was very exciting!

We wanted to wish everyone a Gmar Chasimah Tova!

Have a happy and a healthy New Year!

We can't wait to see everyone back on October 23!

Welcome Back Zisha!
