February 15, 2026

Winter is still in the air at OTSAR's SHP!

We are so grateful that we added this extra fun Sunday!!

The day started off the day with a yummy breakfast.

Every class learned Parsha and davened with Rabbi Jay. Rabbi Jay also brought along a super-sized "Guess Who" game that he played with each class.

Bonnie read along with us and after she showed us how to create a beautiful winter scene.

We made delicious pizza pita for lunch and we chopped tasty vegetables into a salad to eat alongside our pizzas.

Watching Purim videos was fun and we were able to review the story of Purim.

We used salt water in various colors to paint pictures. Each participant got to use a special heat gun to dry the water. It was almost like magic when the water dried! Our pictures now had a textured finish from the salt.

We finished the day with a delicious snack and some games :)

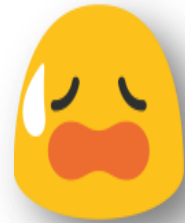

Can't wait to see everyone next week!
