Visit with Yeshiva of Flatbush..

The participants nearly fell out of their seats when they heard the latest development! On Friday, in walked a smiling group of students from Yeshiva of Flatbush. There was a feeling of togetherness as the participants got to know the students. **Bracha** was spotted in deep conversation with a student. **Miriam** was laughing together with the girls, feeling very special. We then played the classic game of Bingo with a twist. As it was Erev Shabbos, we did a Shabbos theme. Two candles anyone? Shabbos delicacies? We started talking about everyone's favorite Shabbos foods. **Mark** cheered for chulent. Our scores were racking up and before you knew it, we had many participants shouting "Bingo"! Hold your breath, there's more fun coming. The excitement started to mount as we all joined hands. The energy coursed through our veins as we danced to the festive music.

The students made us feel like a million dollars. And of course, it was time to take a group photo. Those smiles were fast in coming! It was hard to say goodbye but we know we'll be seeing our friends again real soon. As always, **Roger** gave out treats to the students on their way out. We thanked them with tremendous appreciation for this unforgettable experience. The memories of this morning will fuel us through the long nights ahead!

Birthdays of the Month..

Monday brought along a day filled with laughter and celebration.

The participants clapped and sang for those born in February.

Happy Birthday to Mordy, Yelena, Jay and Leah! Anat made us

a beautifully decorated chocolate cake with whipped topping and sprinkles. Those that celebrated their birthdays received a

birthday balloon and colorful hat to take home. The participants

showered the celebrants with well wishes. We also have a sparkling

birthday bulletin board with the pictures of those celebrating each month. There's an imitation cake, balloons and a birthday card on the board. The participants wait all month for these birthday celebrations. It's only 28 days away!!

Purim Baskets..

As we're all getting ready for the beloved Yom Tov of Purim, Day Hab is a hubble of activity! On Tuesday, the participants were delighted to decorate baskets. The women received green baskets and the men got blue baskets. We weaved ribbon through the holes. **Sara** impressed us with her dexterity skills. The participants then tied a graceful bow, one for each layer. The basket winked at us, ready to be loaded with goodies. Stay tuned for an action-packed week ahead that will surely knock you off your feet!! Can you guess?!
