THE SWEETEST DAYS OF SUMMER!

2025

We cannot believe that the first week of OTSAR has come to an end!

We had such a fun week with so many beautiful memories!

Today was a short but exciting day!

We started the day off with davening and movement and continued to enjoy Drumming with Mike. The room was rocking!

We had a beautiful Shabbos party with music, dancing, a yummy snack, and pizza.!

We cannot wait to see what's in store for next week :)

Due to inclement weather we will be changing Monday's trip to indoors, stay tuned!
