Trip to Chuck E. Cheese..

Rumors were heard throughout Day Hab. Is it really true?! When we announced we would be going to Chuck. E. Cheese, the floor started trembling. The participants looked at each other in disbelief. We loaded the buses as fast as we can eager to get there early. When we arrived, the participants were in "seventh heaven". **Chuck E.**, the renowned mouse mascot, waved to us. We purchased points and ran off to play the arcades. Who can spin the wheel? **Yossi** was one away from 1,000 tickets! **Mark** played skee-ball, with a whopping score of 30. Sara shocked us with her incredible strength, banging the hammer down with vigor. The participants couldn't get enough and the adrenaline rush pumped through our veins. We had a hard time leaving but we know we'll be back real soon. Special shout out to our dedicated staff for making this trip an unforgettable experience! Your unwavering support is an inspiration to us all!!

Summer is here..

With the balmy weather all around us, summer activities have been in full swing. The participants have visited several parks, taking in the magnificent greenery. There are also some exciting outdoor trips in the works. This week in our exclusive arts n' crafts session, we created impressive boards portraying a beach scene. Each of us received a board with the bottom half covered in shiny blue paper, as the "water". The participants then created a "sand" mixture of glue and shaving cream.

Peryl could almost feel the gentle breeze as she worked on the project.

We then added seashells and starfish to the sand. Once the sand dried,

some of us engraved the word Summer while others wrote their

name. To sparkle it up, we coated the words in glitter. **Eddie S** was

amazed at how real the beach board looked, with the textured

sand and shoreline, where the waves meet the sand. Next week,

we will be adding in flips flops made out of clay and a towel.

Anyone in need of a skilled artist? You know where to find us!

Spotlight on Yaakov..

On Wednesday, we were honored to feature **Yaakov**. We learnt

all about his likes and interests. His full name is **Yaakov Tzvi**.

Yaakov's favorite activity at Otsar is our daily morning exercise routine. A memorable trip he shared is when we went bowling at Melody Lanes. We learnt that Yaakov's favorite color is blue. His favorite food served at Otsar is peanut butter and jelly sandwiches. His beloved friends include **Bobby** and **Maria**. During his spare time, Yaakov enjoys spending time with his housemates over the weekend. Yaakov prides himself on being a skilled ping pong player. We are counting down the days to next weeks' feature!! Who's it gonna be?!

Otsar Salon..

On Friday, the ladies were pampered as they got their nails done.

We were delighted to start this activity once again. **Yelena**

debated before choosing a pretty lavender. We were treated like

queens as we relaxed in the calming atmosphere. The women

were on a high to have their nails done in honor of Shabbos. Of

course the job was superbly done, ala' Otsar style! We can't wait to

welcome the weekend, feeling glamorous!
