Today we had so much fun at OTSAR!

We had a massive dance party with Sol. It was so much fun shaking and moving around!

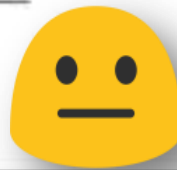

The drummer came to Otsar today and we got to sing and dance with him.

Later on into the day we made snow using our household ingredients and made some fun projects! We also made icicles out of foil and glitter. It was fun to crunch the foil and make an icicle shape.

We cannot wait to see everyone on 2/16!!
