The Snow did not stop us at OTSAR though we had to leave a bit early so we could all get home safely.

We still had lots of fun! We began preparing our Mishloach Manos. We did gluing and drawing and “stickering” to create something special. Next week we will pack it up with goodies.

Chocolate sprinkle dough for Hamentashen was so cool. We rolled balls, pounded out circles, and piped in our choice of filling. Soon enough there were trays of nicely shaped Hamentashen waiting to be baked.

Du-Dance was amazing, Arkady came in early so we could still have a dance session. We had a great time learning new steps. The participants enjoy when Arkady takes them into the middle to dance!

The day came to an end too quickly, but we hope to see each other again next week. Meanwhile, keep safe and warm and hang in there, Spring is surely on the way!
