Today was a great day at OTSAR.

We spent the day indoors to avoid the rain :)

Mike came to drum with us and we had a great time playing the drums and learning new drumming techniques. Mike showed us a new drum and drum stick that had a very different, yet interesting, sound.

Later on in the day we had a flower hunt. After we sorted the flowers by color into different flower pots. (After all the rain we should have many beautiful flowers coming up.)

Then we got to work painting and planting. We will keep everything at Otsar to be finished up in the coming weeks.

We can't wait to see what next week has in store for us :)
