We had a great day at OTSAR today.
We had a dance class with Chaya Sara.
It was so much fun shaking the different instruments
and moving along with the beats.
We made a delicious Tu B'Shvat treat using pretzels,
grapes and clementine.
We painted large paper towel rolls for a tree trunk and
a green bunch of leaves to create a 3D tree.
We made delicious pizza pita for lunch.
Looking forward to seeing everyone
next Sunday :).
