We had a great day at Otsar.

First we davened and then went down to drum with Mike. Today he taught us beats. We practiced till we were perfect. He will be back again on June 4th – we can't wait.

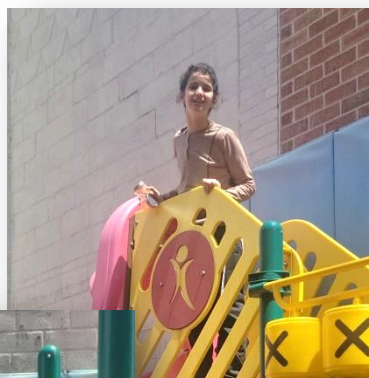

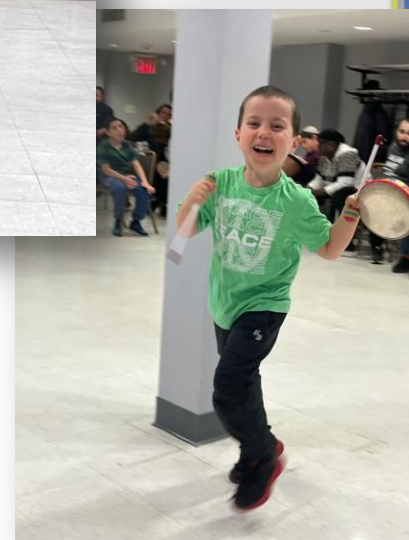

Next up was baking. We put together a yummy cupcake batter and doled it into the muffin tins. Later on Rivka brought us heavenly smelling muffins. We used whip and candy buttons to create a flower shape. Beautiful and delicious.

We finished our Mother's Day gifts. We hand painted the flowers last week and today added the finishing touches. Please make sure to turn it over and read the special message..

We made mason glow in the dark jars with Sol and enjoyed the great outdoors.

Looking forward to seeing everyone on May 21.
