It was a real treat to see our treasures back at Otsar! This week, we had a great time with Brandon the drum guy. We enjoyed playing on the instruments that he brought, as well as clapping along and dancing to the beat!

Pesach is in the air! To get into the spirit, we made adorable "10 Makkos" finger puppets! We also started learning all about the holiday of Pesach with our teachers. We started reading a book together with our teachers that is teaching us all about different Pesach customs and practices, and we then got to color and decorate the pages that we read! We're going to continue working on our booklets for the next 2 weeks, and we're looking forward to bringing them home for Pesach!
