

# OTSAR'S HOLIDAY PROGRAM

## DECEMBER 26-28

What a great time we had at Otsar's Holiday Program!

It was a treat to see some of our Mini Day Camp friends at this time of the year.

Sol was here all day for group activities. We had a glow in the dark party, a dance party (or two). He also came into our classes to teach us how to fold paper airplanes and play "guess the animal sound".

We baked banana muffins and apple-crumble. We enjoyed peeling, chopping, mixing, mashing and scooping.

We each crumpled a lot of squares of tissue papers. Then we glued the tissue papers on the letters of our name. We each created a real masterpiece! We also made gorgeous snow globes (though the weather outside isn't too wintery). We even got to go to the park on this mild day.

For some sensory fun we made an easy and delicious smelling playdough with just two ingredients (see attached recipe). Another time we mixed equal parts of glue and shaving cream. We added food color to some of the mixture as well. We got creative as we painted large oaktags with a snow scene.

It was great seeing everyone this week!
