THE SWEETEST DAYS OF SUMMER!

2025

Welcome back to a great Start at MDC 2025!

We had a great day today doing all sorts of fun activities

**We made delicious watermelon cookies and decorated our very own cubbies :)
We decorated our names that will be returned to us tomorrow on a beautiful canvas bag.**

So I spent time with us working on different sensory activities.

In the afternoon we even watched an interactive video.

Unfortunately our water activities had to be pushed off due to the weather.

We are looking forward to seeing what is in store for tomorrow.
