

So much fun was had today at Otsar Mini Day Camp!

Mike from Impact Drummer came to get us drumming, singing, and dancing. We can't wait to for him to come again on Friday!

We enjoyed squeezing fresh lemons and then preparing a cup of lemonade for ourselves. Sol showed us a cool trick...we poured baking soda, followed by lemon juice, into the squeezed out lemon, and presto...a mini volcano!

We made the most adorable crafts with a lemon theme!

We felt grown up preparing our own pizza pitas and salad for lunch.

Dave & Busters....here we come!!!
