Letter to President Trump..

Here at Otsar, we have a group of intelligent and politically savvy individuals. When eavesdropping on conversations, one can hear **Maria** debating whether the upcoming president will be good for our country. As loyal citizens, a group of participants wrote a letter to future president, Donald Trump. **Yanky** wrote, "I very much want to have more funds given to our population". We wished the president much luck in all areas, especially "Regarding the world situation, we wish you a lot of success in helping the world unite together in peace and harmony". The participants were delighted to receive a reply from the office, thanking us for our letter. As quoted, "President Trump believes the strength of our country lies in the spirit of the American people and their willingness to stay informed and get involved". The participants came away feeling proud of this very special accomplishment!

Trip to Melody Lanes..

On Wednesday, the participants went on a “strike”ing trip to the bowling alley. We got off the buses in the morning with glistening faces. Every day at Otsar is exciting but this Wednesday was extra special! We loaded the buses eagerly and were on our way. The participants were in tough competition as everyone at Otsar is skilled bowlers. **Eddie J.** swiftly rolled the ball down the lane. Next up was **Eddie S. Yelena** swung the ball, like a professional. The scores were racking up. The lucky winner was none other than **Mordy!** We clapped and cheered for him. The participants truly had a “ball”. All too soon, we were back at Day Hab. We are grateful to Otsar for always keeping us on our toes with our show-stopping program!!

Birthdays of the Month..

Tuesday brought along a day filled with camaraderie and celebration. The participants clapped and sang for those born in December. Happy Birthday **Lila, Bobby, Mark, Zisha and Asher!** Anat made us a beautifully decorated chocolate cake with whipped topping and sprinkles. Those that celebrated their birthdays received

a birthday balloon and stylish hat. The participants showered the celebrants with well wishes. We sang Siman Tov U'Mazel Tov out loud and in unison. In our main room, we have a sparkling birthday bulletin board with the pictures of those celebrating each month. We can hardly wait for next month's birthday celebration!!

Spotlight on Sara..

On Wednesday, the lucky participant featured was our very own **Sara**. We learnt all about her likes and interests. Sara's favorite lunch served at Otsar is homemade pizza. A memorable trip she shared is when we went bowling, just this week. Sara's most-liked season is summer; she enjoys basking in the sun. Her chosen holiday is Purim as she loves receiving mishloach manos. During her spare time, Sara likes to watch the I Love Lucy show. We then went around the room and offered the participants an opportunity to ask questions. Sara shared wonderful news with us; she is travelling to England in a few weeks for her nephews wedding. The participants wished her well, genuinely happy for her. Who will be up for spotlight next?! Just wait and see!
