Spring is blossoming at OTSAR!

We had so much fun decorating our SPRING letters with colorful pastels.

Hand coordination was very important while we rolled up the tissue paper into small balls. When the letters are dry we will hang them up in our hallway. Can't wait to show you all how it looks!

We had a great time making pizza pita ...it was delicious! We also had fun cutting up our own veggie salads.

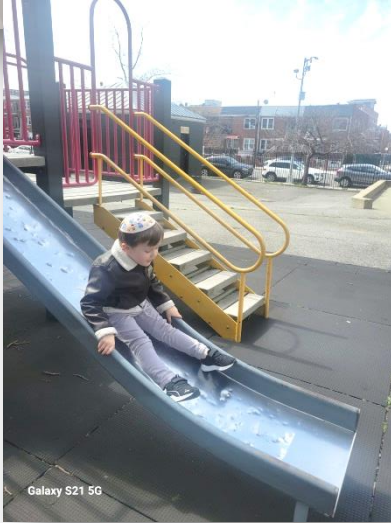

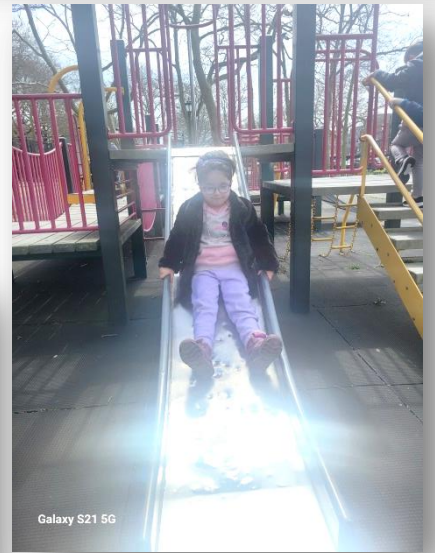

In the early afternoon we had an opportunity to go outside, the weather was absolutely beautiful.

Bonnie came today, read with us and made beautiful flowers together.

We created stunning birds or butterflies using pastels. We had to follow the instructions properly to create these works of art.

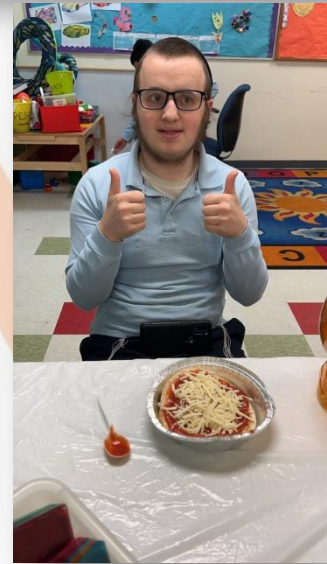

We can't wait to see everyone next week.
