Otsar was FALLING into action everywhere.

Our theme was apples.

We had a great time peeling the apples and making apple sauce.

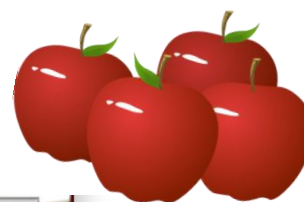

We searched for apples everywhere. What fun we had going on an apple scavenger hunt.

Painting our fall trees and decorating them with apples from our hunt was a blast!

Do you know that there are so many different types of paint brushes? We used unique brushes to create beautiful trees.

Next week we will be going on a trip to Green Meadows Farm!

Make sure to dress warm!
