

MINI DAY CAMP

A HOMERUN EVERY DAY!

We had a super day, and even though we were not on the run, it was lots of fun.

We got to make and shape our afternoon snack of soft pretzels. We watched the yeast bubble and then added the rest of the ingredients. We took turns kneading the dough and then we let the dough sit for a while. We rolled out long pieces of dough and carefully shaped them into pretzels. We sprinkled them with some salt and sent them down for baking.

We created a spinning baseball with some cardboard, paper and string. This is how we will use it; we will hold both ends of the string and twirl the cardboard around a bunch of times. Then we will pull both ends of the string in opposite directions and our ball will spin round and round.

Some of us enjoyed the sprinklers and some of us just wanted to spend time outdoors. We all had a good time though.

We are looking forward to visiting the Aquarium tomorrow!
