Dancing..

As part of our weekly exercise activity, staff unveiled a dance

routine. We put on our dancing shoes and the fun began. "Young

man, there's no need to feel down". The participants got off their

feet by the chorus of Y.M.C.A. Next up was the Twist. **Eddie J**

impressed us with his grooves. And of course, we played the Hokey

Pokey. "You put your right foot in, you put your right foot out".

Bracha laughed as she twirled around. Day Hab was transformed into a

ballroom with the participants dancing to their hearts content. We all know

that Otsar Day Hab truly can't be "beat"!!

Trip to the Gateway Mall..

Here at Otsar, Wednesdays are arguably the most popular day of the week

as it is our trip day! The participants look forward to visiting shopping malls, game centers, museums and other enjoyable activities. This week, our group went to the Gateway Mall. On Wednesday, with our spirit in hand, we trooped to the buses and were on our way. At the mall, we joined the throng of shoppers and visited Five Below. **Maria** bought a fabric spray. **Mark** purchased a sketch pad. **Yelena**, ever the fashionista, bought stylish bracelets. The participants returned with radiant faces. The laughter and good vibes accompanied us all afternoon long!

Art Workshop with Fayge..

As the glorious sun beckons us outdoors, the streets are bustling with people. You could hear the sweet sound of children giggling as they play. Birds and kites soar in all their glory. The participants created just that image in our art workshop this week. We picked our choice of kite. Some had a

picture of a bird or butterfly and others had different shapes. We attached a string to the bottom of the paper and tied ribbons to it. **Zisha** delighted in this artsy craft. **Eshka** envisioned bright kites floating through the air. These kites will adorn a summer bulletin board here at Day Hab. We all know that the sweet participants make our days a “breath of fresh air”!

Welcome Chaim..

We are pleased to welcome **Chaim** as a Direct Support Professional. He comes to Otsar with experience and sensitivity towards the participants. Chaim has already shown us his vibrant energy and strong work ethic. We look forward to get to know him and wish Chaim much success in his new role!
