Planting..

On Tuesday, in walked two large planters with wide grins. Could it be

true?! The participants were delighted to plant flowers! Planting is

an old-time hobby that brings a sense of warmth and contentment.

We started out with shoveling soil in to the planters, one by one.

Our strong group of participants were right up to the task. We then

cleared up a spot in the soil, removed the flowers from their containers

and placed it in the soil. **Peryl** delicately maneuvered the marigold flowers.

Eddie S relished the sensory feel of the soil. We placed the magnificent planters

at the entrance to Day Hab to beautify our outdoors. We are "rooting" for our

wonderful participants!

Trip to Kings Plaza Mall..

Here at Otsar, Wednesdays are one of the most favored days as it is our trip day! The participants look forward to visiting shopping malls, game centers and other enjoyable activities. This week, our group went to Kings Plaza. On Wednesday, with our purses at the ready, we loaded the buses and were on our way. At the mall, we joined the throng of shoppers and visited Five Below and Primark. **Mark** bought stylish shades.

Bracha purchased a nail polish set. **Mordy** bought a character t-shirt.

The participants returned with radiant faces. Stay tuned for some refreshing outdoor trips in the works that will leave you wanting more!!

Sefiras Ha'omer..

Here at Day Hab, we are making the days "count"! Each day, a lucky participant is chosen to recite the *bracha* on the *omer*. **Yanky**

and **Francine** were some that eagerly counted the *omer*. We have a picture of a mountain with numbers hanging that we change each day according to the count. The participants are counting 49 days until the *Yom Tov* of *Shavuos*. Preparation is fully underway to make this *Shavuos* the most unforgettable one yet!!

Otsar Salon..

On Friday, the ladies were pampered as they got their nails done. We were treated like queens as we relaxed in the calming atmosphere. **Lila** debated before choosing a pretty shade of purple. The women were on a high to have their nails done in honor of Shabbos. Of course the job was superbly done, ala' Otsar style! We can't wait to welcome the weekend, feeling glamorous!
