Today was such a fun day at OTSAR.

We started the day with davening and movement.

Bonnie came to visit us today and she read a great story. After the story, she worked with us on a themed craft!

Du-Dance came to visit again and we learnt many new dance moves. We had a great time listening to the music.

Do you love our Cinnamon Apple scented craft? We used essential oils and cinnamon sticks to create this décor for our homes. We used all of our fine motor skills to make it just right :)

We also had a chance to watch interactive Fall videos. We stomped and clapped to the beat as we tried hard to keep up. Of course we threw in one or two of our favorite music videos.

We can't wait to see what next week has in store for us!
